To Whom It May Concern,

My name is Jana Rademan, I'm a third-year student at Belgium Campus ITversity. Katryn and I have worked on multiple projects together in the past 3 years. I can with confidence recommend Katryn Steenkamp. Katryn is, without a doubt, one of the most talented, reliable, and genuinely amazing individuals I've ever worked with.

She is quick-thinking, intelligent, and consistently delivers amazing results. You can always count on her to get the job done, thoroughly and on time. Whether it's tackling complex problems or debugging tricky issues, Katryn is the go-to person for help. Her skills are truly unmatched. She brings clarity to even the most challenging tasks.

Katryn is a delight to work with. She's easy to talk to, approachable, and always willing to help others. While she may come across as shy at first, once you get to know her, you quickly realize she's funny, kind-hearted, and incredibly cool. Her blend of professionalism, warmth, and sharp mind makes her an outstanding teammate and a truly special person to have on any team.

Her attitude is positive, her work ethic is admirable, and her ability to collaborate is second to none. Katryn doesn't just meet expectations, she exceeds them.

Without hesitation, I can recommend Katryn for any opportunity she encounters. She will be an invaluable team member to any organization lucky enough to have her.

Please feel free to contact me should you need any further information.

Sincerely,

Jana Rademan
